

Carbon Literate Organisation

Accreditation Pack

Welcome to the Carbon Literate Organisation (CLO) pack. Only use this pack if you wish to apply to have your organisation accredited as a Carbon Literate Organisation.

The Carbon Literate Organisation (CLO) accreditation is the visible 'badge' that showcases an organisation as: (i) committed to Carbon Literacy (CL); (ii) having a substantial number of people who are Carbon Literate; and (iii) having a commitment to support its Carbon Literate people and maintain its low carbon culture. An organisation uses this status to better interact with its communities – whether they are staff or customers, neighbours, learners, suppliers or stakeholders. There are four levels of accreditation; Bronze, Silver, Gold and Platinum, reflecting increasing levels of Carbon Literacy commitment and achievement within an organisation.
