

The Manchester Carbon Literate City (MCLC) Commitment

MANCHESTER CITY COUNCIL

On Behalf Of [Organisation Name]

We and our people commit to support the City of Manchester in our collective endeavour to become a Carbon Literate® City.

We:

1: Will publicly declare and contribute the number of our Carbon Literate people towards our collective City target and;

2: Will work with, collaborate with and support colleagues, citizens, and the organisations and enterprises of our city, to learn and take material action on climate change, through Carbon Literacy, to help deliver our City's zero carbon objectives.

Notes:

What does this Commitment mean?

1. It means that you would like to be formally identified as a supporter of the Manchester Carbon Literate City (MCLC) initiative
2. Unless you, MCC or The Carbon Literacy Project request otherwise, your organisational name will be listed publicly on the initiative webpage and elsewhere as supporting the initiative,
3. Equally you may choose to publicise your support for the initiative within your own communication channels.

The Manchester Community Fund

1. In addition to our main Community Fund, each Carbon Literacy Locality initiative has a matching Community Fund. This fund is generated from 1) specific donations by individuals and businesses, 2) local sponsorship and grants 3) the community fund contribution from organisations that pay the higher level of Carbon Literacy Certification Fee when certifying their people.
2. The community fund gives access to Carbon Literacy to people and not for profit organisations that couldn't afford to access it otherwise. Unless you instruct us differently, having signed the MCLC Pledge, we will ring-fence any community fund contributions your certification fees make, specifically to the Manchester Carbon Literacy Community Fund, so that your contributions as a Manchester organisation make a difference to people in Manchester directly. If you would like more details about the fund, how to direct it, and how it is used, please contact us.
